EDO Organizations with a focus on economic development. Permanent members and EDOs. Other organizations that have a focus on economic development may choose this option as well.

Benefit: As well as making an investment in our mission all members of the organization are included in all membership benefits.

Dues will be calculated by multiplying your total net operating budget by .002. Your "net operating budget" is defined as your total operating expense budget minus logical exclusions as defined by the EDO (i.e., capital expenditures, depreciation expense, bad debt or loan-loss reserve, or pass-through revenues/expenses not benefiting your operations).
