Proposed Training

- On-Boarding sessions for all new jobs
- Partnering with Miles City Community College (soft skills)
- On-the-Job-Training (OJT)

Challenge

- New endeavor between Transco and MCCC
- Based on previously developed program in Iowa (College Credits)
- Adopting the itinerary based on MC Transco's needs.
- Change in local leadership at Transco

Success

- With new leadership, class time was reduced from 3-weeks to 5 days;
- Decision was made to renovate space at the main office for a classroom;
- College will provide the needed Soft Skills;
- First class was held on April 18th;
- Has created 10 net new jobs.
